

## Flora of The Grove of Old Trees

Grasses, forbs, and ferns	Shrubs	Trees
California milkwort ( <i>Rhinotropis californica</i> )	California wild rose ( <i>Rosa californica</i> )	California bay ( <i>Umbellularia californica</i> )
Coastal manroot ( <i>Marah oregana</i> )	Beaked hazelnut ( <i>Corylus cornuta</i> )	Coast live oak ( <i>Quercus agrifolia</i> )
Velvet grass ( <i>Holcus lanatus</i> )*	California blackberry ( <i>Rubus ursinus</i> )	Coast redwood ( <i>Sequoia sempervirens</i> )
Common bracken ( <i>Pteridium aquilinum</i> )	Coyote brush ( <i>Baccharis pilularis</i> )	Douglas fir ( <i>Pseudotsuga menziesii</i> )
Coastal woodfern ( <i>Dryopteris arguta</i> )	Honeysuckle ( <i>Lonicera hispidula</i> )	Pacific madrone ( <i>Arbutus menziesii</i> )
Fairy slipper ( <i>Calypso bulbosa</i> )	Western azalea ( <i>Rhododendron occidentale</i> )	Pacific wax myrtle ( <i>Morella californica</i> )
American trailplant ( <i>Adenocaulon bicolor</i> )	Thimbleberry ( <i>Rubus parviflorus</i> )	Tanoak ( <i>Notholithocarpus densiflorus</i> )
Modesty ( <i>Whipplea modesta</i> )	Coffeeberry ( <i>Frangula californica</i> )	
Orchard grass ( <i>Dactylis glomerata</i> )*	Creeping snowberry ( <i>Symphoricarpos mollis</i> )	
Millkmaids ( <i>Cardamine californica</i> )	Huckleberry ( <i>Vaccium ovatum</i> )	
Ithuriel's spear ( <i>Triteleia laxa</i> )	Poison oak ( <i>Toxicodendron diversiloba</i> )	
Pacific trillium ( <i>Trillium ovatum</i> )	Toyon ( <i>Heteromeles arbutifolia</i> )	
Douglas iris ( <i>Iris douglasiana</i> )		
Goldback fern ( <i>Pentagramma triangularis</i> )		
Herb robert ( <i>Geranium robertianum</i> )		
Queen Anne's lace ( <i>Daucus carota</i> )*		
Rattlesnake grass ( <i>Briza maxima</i> )*		
Red flowering currant ( <i>Ribes sanguineum</i> )		
Redwood violet ( <i>Viola sempervirens</i> )		
Shooting star ( <i>Primula hendersonii</i> )		
Trailing blackberry ( <i>Rubus ursinus</i> )		
Western starflower ( <i>Lysimachia latifolia</i> )		
Western sword fern ( <i>Polystichum munitum</i> )		
Woodland madia ( <i>Anisocarpus madioides</i> )		
Woodland strawberry ( <i>Fragaria vesca</i> )		*Invasive species (i.e. weed)
