

## Enrichment Activities

We ask new Docents to attend four enrichment activities over the course of the year following your training. These can be workshops offered through LandPaths or offered by other organizations around the county. If you find a workshop, class or educational outing that you would like to attend to fulfil this requirement, please let us know so that we can approve it and share the information with other docents.

Below you will find a sample of upcoming workshops, as well as a list of additional organizations that offer classes and workshops. Please let us know if you have other good resources to add to this list.

### **Organizations offering classes, workshops or educational outings:**

Note: registration is required for all opportunities listed below.

#### **LandPaths**

Stewardship Days and Outings - **Calendar on the website:**
